...Piazza Gae Aulenti.....	
Lokalizacja / location	Lokalizacja na mapce / location on the map Piazza Gae Aulenti 20124 Milano MI, Porta Garibaldi district
Data i godzina obserwacji/ date and time of the observation	19/11/2021, 21:30
Informacje ogólne / General information	Public Square
PRACA NA MAPIE - zaznaczyć symbolami: - Oświetlenie uliczne – SL - Oświetlenie parkowe – PL - Sygnalizacja świetlan – TL - Oświetlenie elewacji, obiektów – BL - Oświetlenie dekoracyjne – DL - Inne – OL Work on map – put symbols of: - Street light – SL - Park light – PL - Traffic light – TL - Objects or elevations illumination – BL - Decorational illumination – DL - Other - OL	There are no lighting elements of street light. The park light is represented by the Solar Tree, using solar energy stored during the day. As the square is aimed solely to the pedestrians, there is no traffic light. The elements of facades' illumination are numerously represented. The lighting fixtures in the pool make a part of decorational illumination
ASPEKTY FUNKCJONALNO - ESTETYCZNE – czy przestrzeń wydaje się właściwie oświetlona widoczność i nastrój FUNCTIONAL/AESTHETIC ASPECTS OF SPACE –space seems to be properly lit in terms of function and mood	Piazza Gae Aulenti seem to be properly lit – the main illumination (ambient and task lighting) is focused on the ground floor retail and café units and the “mood-creating” (task and accent lighting) illumination is dispersed around the square (at the centre and in each part of the pool).

<p>STYLITYKA OPRAW (zdjęcia)/ DESIGN OF LIGHTING FIXTURES (photos)</p>	<p>The LED lighting fixtures (LED tapes) which surround the wells are covered with frosted polycarbonate plastic (provided with the aluminum channel), the lighting fixtures of the Solar Tree are made of aluminum.</p>	
<p>KOMPOZYCJA - układ i rozmieszczenie widocznych elementów oświetlenia placu / COMPOSITION Layout and arrangement of visible elements of artificial illumination of the space</p>	<p>Wydobycie walorów przestrzeni/ highlighting the value of the public space – yes / no</p>	
	<p>Rozmieszczenie opraw – tworzenie grup, rytmu itp. / arrangement of lighting fixtures – creating groups, yes / no</p>	<p>Komentarze/comments The lighting fixtures located in the water features create groups and the colorful streams of water in fountains create rhythms by changing their heights.</p>
	<p>Tworzenie efektów iluzorycznych / creating illusory effects yes / no</p>	<p>Komentarze/comments The well lit facades of the buildings reflect in the pools, making an impression of being elongated.</p>
<p>BEZPIECZEŃSTWO – CZY CZUJESZ SIĘ BEZPIECZNIE / SAFETY – DO YOU FEEL SAFE</p>	<p>Overall, the square is well lit around the periphery and at the very center where the Solar Tree stands. The water features reflect the lights of the adjacent buildings and create a feeling of intimacy.</p>	
<p>NASTRÓJ – CZY OŚWIETLENIE TWORZY NASTÓJ, JEŚLI TAK TO JAKI / MOOD – DOES LIGHTING CREATE A MOOD, IF SO HOW DO YOU FEEL IT</p>	<p>The color-changing lighting creates an eerie and joyful atmosphere.</p>
